A WORLD-CLASS MARINA

Paradise Village Marina is located just 15 minutes away from the Puerto Vallarta International Airport, and is a popular in-water summer storage location for boats. With protection from the nearly landlocked estuary, the Marina is the only certified clean marina in Mexico, selected for the Pan-American games, sailing events and home to mega yachts, active yacht club, etc. Many cruisers choose to dock their boats at Paradise Village, where crews can be hired to regularly check on the boat and perform regular maintenance. Paradise Village Marina has been:

- Classified in the Top 100 Mega Yacht Marinas around the Globe by "Boat Int'l" Magazine
- The only certified Clean Marina in Mexico
- Voted Best Marina in Mexico by "Pacific Coast Sportfishing" Magazine
